

Dear EDYC Members

EDYC is operated on a member volunteer basis and it is vital that all duties are covered to ensure that all club activities and facilities can take place as planned and be fully enjoyed by all.

Please find attached a PDF copy of the EDYC calendar for 2023.

1. Look closely for your name, duty and date. You may have been allocated more than one duty.

2. If this does not suit you then please arrange a swap with another person on the calendar.

3. All swaps are the responsibility of the duty holder.

4. When a swap is made please email ajennings525@gmail.com or gina_lyttle@hotmail.com with details of the dates, duties and names swapped / changed so that the master copy of the calendar can be kept up to date.

5. All swaps must be made by Friday 24 March.

6. The team who volunteered for 6 consecutive weeks for the Icicles Series may not have been allocated a duty.

If you have not been allocated a duty and would like to/are willing to volunteer further please contact Alan or Gina.

Details of the WhatsApp groups are attached. They might be handy in helping to arrange swaps.

The 2023 Season Calendar will be issued early April.

Many thanks for your participation and support.
