

Important Notes.

Please take a note of your duty and put it in your calendar. Please don't stop looking once you have found your name as it may be in a number of times.

John Patterson will endeavour to also remind the Race Officer, Rib Driver and Chevy Driver three weeks before their duty. jpospreyedyc@gmail.com

RO should bring a team with them to assist with Flags, OCS, recording finishes.

Safety boat drivers must bring an able assistant with them as this is a key safety issue for club racing.
