Any boat claiming compensation points as described in this notice shall ensure that the claim is recorded on the Race Officer's race results sheet for that date and by a named entry in the club service boat log book (on the correct date page) in the RIB shed.

Provided that an appropriate declaration is made, a boat which is unable to race because its crew is carrying out race or house duties will, on conclusion of the series, be awarded compensation points for the race/s concerned.

These shall be calculated as the average of her scores in the races of the series, apart from the race/s concerned and apart from any other race/s, not exceeding the number of race scores in the series which may be discarded.

An emergency stand in duty can happen when a person scheduled for a duty does not show up. If there is any doubt the RO (or Acting RO) shall decide if the duty was an emergency stand in and shall endorse the results sheet appropriately.

An emergency stand-in RO will get compensation points equal to that of first place.

Compensation points for emergency stand-in RIB helm and crew or Chevy driver get compensation points equal to their best score from any race in the current series.

13.4 Races with at least one starter, shall be scored. A race with no starters is not a race however compensation points may still be claimed.

13.5 A boat may make one claim for average Compensation points (as per above) when competing in one Strangford Lough Open event per series that would otherwise prevent a start in the EDYC Series race. Claims for these points must be made to a member of the sailing committee within one week of the Strangford Lough Open event and must be accompanied by evidence to the satisfaction of the Sailing Committee that the boat started the other event.

14. Handicapping Systems

14.1 Races are under the NHC or PY Handicap systems as indicated in the schedule.

14.2 Application of the RYA NHC Handicap Systems:

Boats racing under the NHC will use an RYA NHC handicap number as calculated and indicated within the RYA document NATIONAL HANDICAP FOR CRUISERS (NHC) Results Software Calculations

. <http://www.rya.org.uk/SiteCollectionDocuments/technical/Web%20Documents/NHC/ResultsProgrammeCalculations.pdf>

The established classes shall have a handicap number at the start of their 2022 series assigned from the RYA base NHC

Any boat that has not raced in the previous season will start at its base NHC and any new boat joining the class or transferring class will start at its base NHC.

14.3 After every race, in accordance with the method described by the RYA, a boat's NHC handicap will be adjusted and used in the next race. An adjustment in handicap number is not grounds for redress, this changes RRS 62.

14.4 Boats racing under the PYS will have their handicaps determined by the Sailing Committee in accordance with the current published RYA PYS list and remain at that figure for the year, unless changed by the RYA. PYS Trial Numbers issued to boats with no, or an inequitable PYS handicap will be assessed and liable to change after each assessable race until judged to be stable and a Club Number issued by the Sailing Committee.

19 Risk Statement

Sailing by its nature is an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities.
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions as can be practically provided in the circumstances

20 INSURANCE

1. Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of £3 million per event or the equivalent.
2. In amendment of RRS 1.2 & 40, all sailors shall wear adequate personal buoyancy at all times when afloat in club vessels.

Information

The Race Officer may cancel or abandon races if, in their opinion, available safety facilities are inadequate. This may involve the use of the N flag.

Chevy and Support boat services will follow COVID restrictions. The chevy may not be available for taxi work, the support RIB will be crewed by solo helm or bubble or family groups as per Covid guidance.

Mast head buoyancy is recommended for dinghies where inversion presents a recovery challenge.

The Race Officer may move mark E after the start to ensure the finish line is clearly open from the last mark of the course.

After finishing boats are requested to keep clear of the Finishing Line and the sight lines from the Committee Vessel to those boats approaching the finish line.

Protest forms and RYA arbitration - Competitors are advised to make use of the RYA Protest Form, which is available along with information on the RYA arbitration procedure on the EDYC Club Notice Board and in the entrance hall of the Clubhouse.

A signing out and in sheet will be provided in a convenient location (likely close to a hand sanitizing station) for helm and crew in the Dinghy classes. This sheet will be collected with the results sheets and is to enable the Race Officer to ensure that all boats and crews which used the slipway and raced are accounted for. All Dinghy competitors are requested to complete this for safety reasons. It will also improve accuracy of recording entries/results including sail numbers and size detail (Especially in relation to Lasers and Toppers and their sail sizes).

All RIB and Chevy crews are required to put an entry in the Sailing Office log book for the vessel used, especially reporting any equipment related notes.

f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions as can be practically provided in the circumstances

This section above may mean assistance with personnel only and not with boat recovery – due to conditions and/or Covid influencing manning and separation

Red is used to show a change (in last 2 years) or an important section !
